ABSTRACT

This bibliography of over 170 items on proprietary postsecondary education contains 10 sections: accreditation, adult and vocational education, general bibliographies, books and articles, dissertations and theses, encyclopedias, government reports, nontraditional education, research studies, and miscellaneous. The miscellaneous category contains such topics as college dropouts, careers, educational technology, trade and professional associations, a career school directory, a counselor's handbook, the research process, programmed education, a dictionary of education, a guidebook on presenting information to students, individualized instruction, instructional objectives, degree mills, and educational measurement. Most citations are from the 1960's and 1970's, with a few from the 1950's and earlier. (MSE)
